About Us

Jetstream Tours was created in 2013 by Richard Bain. At first, we offered tours with our small 9 metre jet boat 'Twist' which is capable of carrying up to 10 people, for high speed rides from Sun Pier, Chatham.

The companies ambition was however much bigger and there remained a vision to offer more than just high-speed thrill rides. After many searches and several long trips Jetstream Tours found its passenger vessel 'Jacob Marley'. Jacob Marley runs trips throughout the year from Rochester, Southend Gravesend and Chatham. Day trips, sightseeing tours and is involved with special events and festivals.

We were approached by Kent County Council in 2017 and tasked with taking over the Gravesend to Tilbury ferry service connecting Kent and Essex. Our reliable service has now been awarded the contract for the next 5 years.

Jetstream Tours prides itself with great customer care and brining you a river adventure to remember.
